LIFE ON CAMPUS

"Wow! Look at her."

Carolyn Price says, "Excuse me, I'm right in the middle of a Darigold."

"Well hello," states Mike Anderson, signing another autograph.

Nick Murphy, Lori Grubbs, Donna Elwess and Michelle Bacchetti are always ready to pose for a picture.

Matt Hicks and Jerry Hinton try to look cool.

AND THE ROCK!

"Fine, center the picture on them," cries Stacy Sayan, while Linda Weaver and Jena Dirkland steal the show.

When Kirsten Mellander talks, people listen.

Ben Moody, Pat Schultz, and Mike Tygart perform the jitterbug during break.

"This is my best side", smiles another Oly Bear.

John Hougan, Rick Barnes, and Ross West: three little angels?

HARD TIMES

GOOD TIMES

HOMECOM

Oly's campus was invaded by hippies, beach bums and greasers on our traditional dress-up days. Other Homecoming highlights included Coach Dunn's pep talk and class skits at Friday's assembly, followed by a rowdy car caravan.

Photograph by Cary Parnell

ING 1982

As part of the exciting Homecoming Olympic Mayer Lyle Watson led the coronation of Queen of the Game. However, the excitement of Homecoming had to be on the football field. Under the bright lights of Ingersoll Stadium, the Bear Blitz continued with a victory over Hoquiam.

BE TRUE TO YOUR SCHOOL

Kris Kissler and Kathy Neer enjoy Beach Bum Day

Chris Murphy's El Camino carries Bear fans through the streets of Olympia in the car caravan

Robbie Seienes, Melany Tierney, and Shannon Murphy show that having a part-time career and going to school is easily done

More Oly students show their spirit by cruising in the Homecoming caravan.

"What exactly is peer support?" Mr. Dick Allen, group leader, described it as "a group of people who want to help other people and have the skills to do that."

Peer Support Team members offered free tutoring to over 80 of the peers, provided new student orientation to approximately 150 new students, and presented a freshman orientation. They also gave a presentation to incoming 9th graders on the transition from middle school to high school. In addition, the team hopes to start discussion groups in study hall.

Mr. Allen's peer support class was also in full swing. Members gathered information and conveyed it to the other members not in the class. PST was there to help everyone. PST was a team. We tried to make the school atmosphere more enjoyable," stated Coung Le.

Knowledge Bowl

What is Knowledge Bowl? Copied after TV's College Bowls aired during the mid-1970's, they consist of four member teams trying to answer questions ranging from Colorado history to world wide politics. The Bears took part in three local competitions, winning two firsts, two seconds and one third place.

In state competition OHS will be represented by at least one team.

Debate

Debate is an experience that will help me in every facate of my later life," stated Alice Berschauer. The debate class exposed students to all phases of public speaking and provides excellent grounding for work in drama. Some class requirements included expository speeches, oratory speeches, and dramatic and oral interpretations.

The debate students looked forward to the travel opportunities to debate tournaments, meeting new people, and the confidence gained through public speaking. Debate tournaments consisted of one team rebuttaling another on a topic through researched facts. Students chose to take either an affirmative or a negative stand on a controversial topic. This year's major subject was arm sales to foreign countries. Adam Hertlein summed it up: "It's fun, but you do a lot of work."

Government

Government is by the people, for the people." This American philosophy holds true for the OHS government, which consisted of two main bodies: the Student Government, that incorporated the class and A.S.B. officers, and the Senate.

Student Government met during sixth period with Vice-Principal Ellick to make legislative decisions, while the Senate met during activity periods to provide input from the student body. Senators were elected in their social science classes to represent their peer's views and opinions.

The Band

Few students other than those involved in the O.H.S. music department realize just how talented our band is. Of course, all the students know they play great at football games, basketball games, and pep assemblies, but the band's symphonic accomplishments and honors often go unnoticed. For instance, at contest, the symphonic band has received a superior rating since 1969! They've also captured the district competition five years in a row, although last year they were unsuccessful. O.H.S. graduates have consistently earned music scholarships over the years, not to mention the individuals who are accepted in the all state band

Marches On

This past fall, however, the band was honored in a way that let the whole state know of their talent. Mr. Timmerman was contacted by the University of Washington and asked to perform at a Husky football game this season. On Saturday, September 25, the musicians climbed aboard the buses and headed for Husky Stadium. Whenever the U W's band was not performing, the Bears entertained and amused the Husky fans. According to the band members, the best part of the day was watching the Huskies practice before the game.

Ross West, drum major

Ross gets really carried away!

The Leader Of The Band

Ross West is the 1982-83 drum major. Last summer he attended camp at Oregon State University. By working nine hours a day, he learned skills such as leadership, baton, conducting, show routines, and half time shows.

At the end of the week Ross was tested on the skills he had learned. He received an excellent rating in parade routine and conducting and a superior rating in show routine. "I have found him to be one of the very best!" boasted Wayne Timmerman, music director.

Strollers

Lead by Marty Montoya, this unique instrumental group was quite popular in our area. Like the vocal ensembles, the Strolling Strings performed year round in many community events.

Madrigals

This past year, the Madrigal singers were lead by Julie Pond and announcer Tony Giles. Unlike other high school groups, the Madrigals entertained their listeners with classical selections. Tryouts for this ensemble were held in late May and applicants had to show an interest in classical music.

Good Days

The Good Day singers were an ensemble of junior and senior girls who catered to the community with a modern variety of music. Lead by Jenny Siegle, the Good Days performed for private parties and large social events. Auditions for Good Days were held in late May, also.

This year our music department performed excellently. Olympia students have good reason to be proud of their talented peers. Seniors Tony Giles and Debra Brunton represented OHS in the state solo contest, while Chorus and Girl's Glee were certain to take an outstanding trophy.

Several seniors received the highest of recognitions—being chosen for All—Northwest. These students were chosen from over one thousand musicians who submitted tapes to be judged. Tony Giles, Susan Cosden, Jenny Siegle, and Drene Jensen traveled to Seattle in April to be coached by three of the finest conductors in the United States.

In addition to their musical honors, the Chorus was a leading influence in the Choral Festival, as was the Orchestra in the String Festival. The Festivals were a combination of local high school, junior high school, and grade school musicians.

Orchestra also performed superbly this year, as they received the outstanding trophy and superior ratings from all three judges at contest!

The following band members were also honored in being chosen for All-Northwest: Carolyn Gordon and Ingrid Petersons, flute; Selma Hanna, clarinet; Ray Conner and Steve Thompson, alto sax; Tom Vail, tenor sax; and Debie Blowers tuba.

Spanish

Dinner at Los Hermanos is a yearly activity for the Spanish Club. With Mr. Kuhl (advisor), Dan Heath (president), Rick Chase (Vice President), and Kirsten Peterson (secretary), this year's club stayed involved. From first year students making pinatas and second year students making the annual Spanish village to Christmas caroling and the Spring Banquet, the Spanish classes were a busy company.

Latin

The Latin Club, with advisor Mr. Curtis, became involved with various activities throughout the year. A national Latin contest was held in March, in which 40,000 high school students competed against each other in such subjects as Latin grammar and history. In April a state Convention was held: Latin students from around the state competed academically and athletically against one another. An annual Roman Games competition was held against the Latin Club of Capital High School. This was an event in which the members competed in various track and field events. Adrian Le Blanc (president), Jim Julius (vice president), and Kristin Huggins (secretary/treasurer) kept this club active.

French

From French movies and banquets to Christmas caroling, this 70-member club was involved throughout the year. This club consisted of any 2nd, 3rd, and 4th year French student or anyone who had had French for at least two years. A favorite activity of this past year took place during the Christmas season. Each member had a secret "Santa." This year the club grew rapidly with the help of the officers: Michaela Keating and Jeff Ernst (co-presidents), Kim Yamane (treasurer), and Grace Ryan (secretary)

FBLA

FBLA was a business club with President Jenni Williams. Many of the members went to business week. The club learned what it takes to start a business and also, that one needs a positive attitude to succeed. Frequently, there were speakers from various businesses, such as the Bell Phone Company or Seattle Trust. Several students were active in conferences during the year, also

MEDICAL CAREERS

Medical Careers consisted of students planning to pursue a career in the field of medicine. Those interested, listened to speakers from several different aspects of medicine. The students also took a trip to the University of Washington Hospital to observe open heart surgery. The members of Medical Careers were a key part in the blood drive

FFA

The Future Farmers of America, with club advisor Mr. Millholand, kept busy throughout the year. Once a month the FFA met and planned field trips and other activities.

The club also traveled to Seattle and Portland for animal judging contests. During April Old McDonald's Farm kept FFA ers active. After a few weeks at OHS, the club took the farm to the Thurston County Fair, and later to the Puyallup State Fair. Officers included: Linda Harry, President; Paula Engel, secretary; Steve Pontius, treasurer; Debbie Mattingly, reporter; and Bryan Henry, sentinels.

DECA

DECA was a class offered to anyone interested in business. The 25-member class was taught subjects concerning marketing and business through various fund raisers. During the Christmas season, they wrapped gifts at the nearby mall. These fund raisers helped to pay for conference expenses.

DECA was both a national and state organization, having chapters throughout the United States. Officers were: Steve Davis, president; Sean O'Neil, vice-president; Kathy Thomas, secretary; Mindy Myers, treasurer; and Keith Paine, parliamentarian.

International

The International Club was initiated to get more students involved with the foreign exchange students that OHS sponsors. Olympia students accompanied the exchange students on field trips to Seattle Center, Pike Place Market, the University of Washington, the Lasanum, and a tour of Boeing this past year.

Many close friendships developed between those involved through other activities also. For instance, potluck dinners, a Christmas party, and a camping trip in the spring. To finance their activities the club sold Olympia key chains. The group leaders were Cuong Le, Cindy Gibbs, Dominique Piret, and Jill Green.

"Did you need some help?" asks Christl Johnson, while Lisa Anderson looks for another desperate student.

Brent and Dominique seem to be in their own little world.

Key

The KEY Club was a Kiwanis sponsored service organization. The club stressed community care, understanding, and service. A few of their projects were trick or treating for UNICEF, a trash-a-thon for the food bank, and rest home visits.

Ushers

The Usher Club was responsible for many activities during the year. At the beginning of each semester, they help students (and teachers), through arena. During football, basketball, and other sports, the club sold tickets and programs. Officers were: Sheri Kingsbury, president; Jenni Williams, vice-president; and Kim Andrews, secretary/treasurer.

Bike

Although they got off to a slow start this year, the bike club had high hopes. Saturdays and Sundays the dedicated riders can be seen riding near and far. Their trips range anywhere from 20 miles to

Safeway up the road. Not only do the bikers ride, they also provide bike clinics to teach others how to repair and maintain their bicycles.

Gun

Every Tuesday afternoon one could find this eight member gun club at the Evergreen Sportsman Club. Mr. Strobl, the advisor, stressed safety and sportsmanship in this sport. The gun club has been successful in the past couple years in placing first in the Postal Clay Target Shooting Competition. However, this year they were less fortunate in regaining their title. But, the team placed 3rd out of about 30 high schools and universities across the nation.

"We strove for improvement this year and I hope that next year they improve even more," commented Olympus editor Becky Lundberg. Becky further stated that there were many talented writers on newspaper staff this past year, and many of the reporters will return next year.

"We would have liked to come out bi-monthly, but we were not able to because that schedule made it too rushed for the reprographics class," stated the editor. The Olympus staff appreciated the efforts of the reprographics class and the word processing department.

Annual

This year's annual staff was new and inexperienced, with the exception of photographer, Dwight Moody. Annual advisor Mrs. Ensberg, kept pushing though, and the staffers began feeling more at ease in working on their layouts and with advisors and coaches. A few even learned the art of interrupting a class just to ask for help in indentifying someone.

All in all, though, it was a good year and the class got the annual to the publishers on time. Co-editors Bonnie Lissner and Kim Schley were kept busy checking copy and layouts right before they were rushed to the publishing company. But, probably the hardest thing they had to do was make the final decision on the yearbook cover. For although the entire staff voted, the editors had the final say.

Style-1982

Following the tradition of being champions, the 1982 boys' varsity football team was no exception. Described by the coaches as "one of the solid, all-around group of athletes," from their freshman to senior years they have never known anything but NFL championships.

For the third consecutive year, the Oly Bears have beaten their cross-town rivals, the Capital Cougars. They have been undefeated in league play for the last three years and have had 24 consecutive league wins since 1979. Another impressive statistic about the retiring varsity is that out of the 220 quarters of play, they have only allowed the opponents to score on 56 of those; and most of those were in the fourth quarter. Out of the 50 games they have played during their varsity and J.V. experience here at Olympia High, these seniors have only lost 4. That's a 95 percent winning record.

It was an exciting and challenging season for those Oly team members. Their many victories certainly will outweigh their defeats. This truly was a team that was "born to rule the NFL."

Coaches Reflect On Encouraging Season

Coach Sortun

This team's strong point is their ability to run and pass with equal effectiveness," said Coach Sortun about his talented JV team. "We have quick and aggressive players who work hard to win every game."

In their first four games, this outstanding team was only scored on once, as a result of their strong defensive and offensive action. Coach Sortun felt these players "have the potential to be an excellent varsity team."

Coach Maguire

This group was a diamond in the rough," stated Coach Maguire about his exciting season as freshmen coach. This has been the fifth time in the last eight years that Oly's frosh team has been undefeated. They have shown skill and calm heads in almost every situation which led Coach Maguire to say, "This is one of the best teams I have ever coached."

Girls' Tennis

At the awards dinner at the end of the season, Carolyn Carlson received a "Special Award" for being undefeated in four years of league play. Michaela Keating and Erin Kiley received the award for the "Most Improved Varsity Doubles Team." Laura Overton was voted "Most Inspirational."

"Experienced" is a good word to describe the 1982 Girl's Tennis Team. Girls Tennis had two doubles teams and one singles player go to sub-districts. Carolyn Carlson went to State in May. Laura Overton and Angie Acuff placed fourth at districts, which earned them an alternate spot in the State Tournament.

First Year For J.V.

Having a record turnout, separate varsity and JV teams were formed. Mr. Jerry Hinton assisted varsity coach Sally Henden because thirty girls were too much for any coach to handle by themselves.

The new team ended the season with a 3-2-1 record. Sarah Tierney was the leading scorer, with Julie Lichtenberg and Ish Doench contributing. One outstanding feature of this year's team was their small size. Mr. Hinton's nickname for them was the shorties.

No matter what place you take in a cross country race, if you make it to the finish line, you have something to be proud of.

However, the cross-country teams did far more than just finish races. The season opened with a jamboree involving ten teams. The girls took first place and the boys received third. Both teams continued their winning ways placing third in league and taking fifth place at the district meet.

Boys' JV and varsity, led by top runner Tim Steen, finished with a 6-2 record while the smaller girls' team competed only on the varsity level, finishing with a 4-4 record. Sue Ocken, who was undefeated in league and went on to place 21st of 112 runners at State, led the girls.

To wrap up the season, members enjoyed a banquet at the Westwater Inn with money raised at their bowl a thon held during the season. Matt Ruhl received the Most Improved and the ninth grade Inspirational Award. Debbie Tygart received Most Improved for the girls. Most Inspirational Senior was given to Steve Miskimis, and over all Inspirational went to Tim Steen, who also received Captains Award along with Margaret Kintzley and Ginny Reukema.

The girls' team was extremely young with only one senior, one junior, four sophomores and six freshmen. That gives them a great deal to look forward to in the next two years.

The team did quite well this season with a league record of 413. They were led by Captain Kay Hauswirth who was also voted most inspirational. High point award went to freshman Mary White. Lisa Fox received the award for most improved.

The girls placed third in Districts, only one point behind Aberdeen and eight behind Shelton. Four of the girls then went on to State—Ingrid Elsinga, Lisa Fox, Mary White and Kay Hauswirth competed in the 400 free relay, taking 14th place at the state meet and breaking the school record with a 3:58.2.

Even though we were short of our ultimate goal of going to state this year, I really couldn't have been more pleased with our season. "Young and Inspirational are two good words to describe the girls volleyball team this year. With only three returning senior girls, the Bears will be back in full force next season. However, this did not even seem to be a drawback for the girls. After losing their first two opening matches, the girls got back on their feet and won the remaining league games. Everyone was pleased with the efforts of the girls, as they traveled off to Districts. There they played hard, but they dropped two out of three to wrap things up for the season.

The following girls received awards in these areas: Team Captains, Cheryl Brandell, Wendy Geist; Most Improved, Christine Nelson; Most Inspirational, Jill Lindberg; and Coaches Award, Karen Renz.

The Bears had a great season, despite their slow start and look forward to a perfect season next year.

Also contributing to the 82-83 Bruin Breakaway were seniors Big Bad Bob Heath, Mike the Bruiser" Behlke, the electrifying "WAM" Moore, the "Lender" Eric Lindberg, "Diesel" Dan Dekay and Dandy Andy Kapist. The Junior Varsity also had a good finish this year. They ended with a 17-3 record which put them in second place in the Black Hills League. A lot of the Junior Varsity squad will be moving up to Varsity next year, and this should result in another outstanding Bear season.

The Sophomore team finished with a 12-7 record. These mighty Bears were coached by Rich Yelenich. The Freshman, coached by Denny Bailey, had another good season, they finished with a 8-2 record.

Girls' Varsity Basketball

Much in the same fashion as last year, the girls basketball team had another excellent season. Led by high scorers Cheryl Brandell and Kris Larson, the Bears were almost unstoppable. Their one disappointing loss come when they took on the Yelm Tornadoes. With a league record of 18-1 and an overall record of 20-4 they easily took first in the BHL and second in district play. Their other three losses were against Hoquiam in district play, and North Kitsap and Woodway in regional play.

Cheryl Brandell was named the BHL's Most Valuable Player.

Girls JV was quite successful this year. They took first in league with only one loss. They were stunned by the Aberdeen Bobcats in the very last game of the season but won the rest of their battles. Several starters played both J.V. and Varsity and could only play one or two quarters. Thus, the team had to have a good bench, making substitutions easy for Coach Cable. The team showed great improvement and enjoyed a fulfilled season of tough competition. They will be back next year, looking for another great season.

Freshmen girls had an exciting season, tying for first place with the Hoquiam Grizzlies. The girls had an 8-1 record, with that one loss to the Grizzlies. Coaching the girls was Laurie Schupp, a PE teacher at Yelm High. Recapping the season, Coach Schupp said, "I think the girls did really well, and I know we could have won Hoquiam. We were just a little nervous because it was our first game." Team players Tracy McKendry, Wendy Carlson, Kim Aames, Angie Fitzmorris and Maria Behlke made a tough starting line up.

Boys' Swimming Takes BHL And Districts

Nineteen eighty three was a good year for the boys' swim team. They finished first to win the Black Hills League title. They overwhelmed their opponents at the district meet with a winning score of 449 outscoring the second place team by 219 points.

Coach Mark Scott commented, "We had 15 or 16 individuals who trained year round and had good turnouts for morning practice, which shows real dedication. The entire team qualified for districts and nine swimmers are going to state: Karl Olson, captain, Tony Elsinga, Brian Harris, David Hougan, Christian Kemp, Gunnar Olson, Rob Martin, Mark Carlson, and Matt Hougan."

The wrestling team started out their season with a vacation to Hawaii. It consisted of eight fun filled days, two flying, two wrestling, and four sightseeing.

To pay for the trip took 5-6 months of hard labor. Some of the fund raisers were cutting 230 cords of wood, cleaning up trash at the County Fair, and selling raffle tickets.

During their stay at the Hickman Air Force Base in Honolulu, the Olympians shopped, sunbathed, watched the Hula Bowl and generally had a good time under the close watch of the coaches.

Of the wrestlers that went to the Hawaiian Invitational, some of those placed high in their weight classes. They competed with eleven island schools. Winners included Doug Meridieth, 1st; Olay Stablein, 2nd; Jeff Davies, 2nd; Dale Meridieth, 3rd; Darrin Rollman, 3rd; John Wilfong, 3rd; Scott Near, 4th; Josh Ray, 4th; Jerry Hinton, 6th; and Carl Lorton, 6th.

BHL coach of the year Rocky Isley, took a full van of wrestlers to districts, winning the title with an exciting overtime win by junior Jeff Davis. They also took Sub-Regionals, and received a third at Regionals.

BOYS AND GIRLS TRACK

Girls' Track was comparatively small, but such tough competitors as Kris Larson, shot, discus, javelin; Paula Woodland, Megan Angiers; Nancy Minitti sprints; Joneen Loughheed, 400, Marianne Winters, hurdles; Leslie Bash, 800, high jump, and Michelle Conner, 800

The boys have a relatively young team but this should be no setback with great athletes like Brian Taylor, high hurdles, triple jump; Ken Korn, pole vault, long jump, triple jump, high jump; Bill Lynch, pole vault; Walter Moore, springs, long jump, triple jump; Randy Swilley, Donny Brownell, shot discus; Will Mertena, springs; David Miskimins; Matt Ruhl, and Wade Ruch, distances

New coaches included Pat Deneal, head girls; Dan Brightwell, distance; and John Smith, weight events

Special accomplishment by tracksters included Ken Korn, best pole vault in state; Brian Taylor, one of the best times in high hurdles and Kris Larson, best discus top in shop and javelin.

Varsity Baseball

Coach Bill Maguire had high expectations for the baseball team. Returning this season were nine lettermen, eight of which were seniors. Their experience made them a team to watch out for in the Black Hills League. Although defense was the strong point Coach Maguire expected they would be hitting the ball and scoring many runs.

Even though the pitching staff was very young and two top players were out early in the season due to injuries, the team appeared tough to beat.

The Bears didn't have a team captain this year but alternated with every game. They made the decisions together and the team effort helped them to go far this season.

"I feel that the girls should come out at, or near the top of the league due to the large number of returning lettermen," commented Coach Wayne Sortun with enthusiasm. Out of starters from the 1982 championship team, seven returned to display their winning form again. Next year's team should be equally strong with the many talented freshmen and sophomores on this year's team, coached by Connie Shupp.

As girls' softball has grown in popularity, so has the league. In 1983, the Black Hills League welcomed Elma and Yelm to the lineup. The new addition increased the number of league games for the girls from 12 last year, to 18 challenges this past season.

Mid-air collisions seem to be a common occurrence in the game of soccer

The soccer varsity team is in on their way to the top of the league once more. In fact, Coach Gallagher feels that both varsity and JV have a good chance to take first place. "We've got a high-skilled group without a lot of size. We try to play a style that accents the physical assets that the players have," comments Gallagher.

A sixteen-game schedule will be played by the five seniors, three juniors and eight sophomores, who make up the varsity team. Dave Merchant and Mike Hays are team captains. Goal keepers are Joe Nolan and Mike Kirshner.

Boys' Tennis

"I think we are easily favored to win the league and District titles again this season, and a high contender for the State title comments Coach Whipple with the utmost confidence. After placing first in the league and at Districts two years in a row, this team has the right to feel confident. Since 1980 they have won every match which eventually led to their taking second place at State last season. With eight returning lettermen, P Bismuti, J. Allen, E. Boe, B. Boe, E. Price, S. Near, D. Nghiem, and J. Dye, and with a strong turnout of new, talented players, this team should have no trouble with their climb to the top

Boys Golf

'We have a really good team!' exclaimed Coach Tim Healy about this year's golf team. Healy began his third year as coach and he felt the team did an excellent job. With three-hour practices everyday after school, the 15-member team showed real dedication. At times they would have to travel as far as Ocean Shores braving wind and rain, but they remained competitors throughout.

**MY MOST
MEMORABLE EXPERIENCE
AT OLYMPIA HIGH WAS...**

1. The first time I saw a rainbow was when I was five years old. It was a beautiful sight, and I had never seen one before. I remember the colors so clearly: red, orange, yellow, green, blue, and purple. It was like a bridge in the sky.

2. The second time I saw a rainbow was when I was ten years old. It was a very bright and colorful rainbow, and I had never seen one like it before. I remember the colors so clearly: red, orange, yellow, green, blue, and purple. It was like a bridge in the sky.

3. The third time I saw a rainbow was when I was fifteen years old. It was a very bright and colorful rainbow, and I had never seen one like it before. I remember the colors so clearly: red, orange, yellow, green, blue, and purple. It was like a bridge in the sky.

4. The fourth time I saw a rainbow was when I was twenty years old. It was a very bright and colorful rainbow, and I had never seen one like it before. I remember the colors so clearly: red, orange, yellow, green, blue, and purple. It was like a bridge in the sky.

5. The fifth time I saw a rainbow was when I was thirty years old. It was a very bright and colorful rainbow, and I had never seen one like it before. I remember the colors so clearly: red, orange, yellow, green, blue, and purple. It was like a bridge in the sky.
